

Hello Everyone

This is my first Christmas newsletter here at CMM so thought I would use it to introduce myself for those who do not know me. Although new to the office at CMM, I have been an associate for nearly 15 years, touring with Jail Break and Rock, as well as doing many other events all over the country and as far as Canada! It has been so wonderful to travel and meet lots of lovely people and see the amazing work that God is doing in and through His church!

I currently live on the border of Worcester and South Birmingham with my husband Chris, Daughter Leah (aged 1) and our crazy dog, Molly. As well as working as Roger's PA, I am also a qualified children's nurse and work as a sign language interpreter. This year has been full of changes for me having started the year off on maternity leave and enjoying seeing how Leah develops and grows so quickly! In the summer I felt it was right to not go back to my nursing job, but take the time to pursue new challenges and see what God has in store. I was very blessed to be given the job here

at CMM as it is not only very close to home, but also great to work with wonderful friends. Nicky did an amazing job and I just hope I can keep Roger in check and organised as well as she did!

Over the year we have been fortunate to go away as a family to Anglesey as well as spend time with our church family at Naturally Supernatural. The weather was pretty wet for both but we had a great time and even managed to walk down (though sadly not up!) Snowdon, as well as survive camping with an 11 month old! I love to sing and play as often as I can. I am part of Jazz Community Church where I help lead worship, and I am also part of a female choir called the Chanterelles.

Some of you may have realised that this is the same choir that Helen is a part of. Helen and I grew up together in Leicestershire and we have been a part of the choir since we were young.

It has been a privilege and blessing to sing, play and work alongside so many amazing people over the years and I am looking forward to seeing what the next 12 months has in store!

Praying you all may know God's love, peace and light this festive time, and throughout 2020.
