# Roger & Mary's 50th Wedding Anniversary

2022 is a special year for Roger and Mary with it being their Golden Wedding Anniversary in July. This is why they have decided to celebrate by doing what they really love doing—making music together with their friends!

They would love for you to join them in making a musical in a day: **Saints Alive!** (revised) on **July 9th** at **Bromsgrove Baptist Church** to celebrate. Spend the afternoon learning the musical either in the orchestra or choir before a final performance in the evening! You can also be a part of the audience to soak up the atmosphere. All abilities welcome!

Please note that, if you feel you'd like to give a gift to Roger and Mary, they ask that you would send a donation to the **CMM trust** to further the ministry as opposed to a personal gift.

## About Saints Alive!

The original musical **Saints Alive!** was released 40 years ago back in 1981, written by Roger for Christian Endeavour—the organisation that led him to become a Christian over 55 years ago!

To mark this milestone, Roger has revised the musical - adding an extra song, more harmony and made a brand new recording involving CMM musicians.

Based on Acts 1 and 2, **Saints Alive!** is a musical telling the story of the birth of the Church on the day of Pentecost, showing the dramatic change which took place in the apostles, turning them from frightened and hopeless men to people who turned the world upside down.

As this is a revised musical with new material, **you will need to make sure you have a copy of the new Saints Alive! music for this event**, which will be available towards the end of June.
