Dear friends,

We're so thrilled to share our walk with Jesus alongside you all. What a thrill to know his presence through the power of the Spirit together!

We have many CMM events coming up in the next year and we really hope to see you there! Do come and join us or invite us to lead an event in your area.

Roger and Mary Jones, Honey and Teddy

We did say that 'Zac' would be our last musical, but we are releasing '**Angel Voices (Special Edition)**' - a shorter version of the musical based on the book of Revelation, exploring themes of worship, spiritual warfare and wholeness. We toured with the musical internationally in 1993-95, but now with a shortened edition we plan to use it in more local churches and holiday weeks. We've cut out a few songs, missed out some verses, and changed some keys, so watch this space for updates! So, please do get **Saturday 28th March 2026** in your diary, and join us in Bromsgrove Baptist Church as we put on a performance together.

Actually, there may be another announcement coming soon. We do believe that the Lord is still calling us forward in ministry, but we also rely on your support. Please pray for us, encourage others to join us, and come to events if you can.

Regarding family news, Mary's knee replacement went extremely well so we await news on her ankle and a further knee op. Also, we don't feel old enough, but are now Great Grandparents to Ezra Jones, born to Michael and Bella; with Grandad Tim and Grandma Emma.

God is good, and he is with us through Jesus! Keep praying for the Holy Spirit to move in power.

Roger and Mary Jones

Tell me the Stories of Jesus

Some of you may remember that 'Tell me the stories of Jesus' originally came out on record LP and cassette back in 1984 and was a collection of songs predominantly aimed at a younger age group, although they are suitable for all ages.

The album was never released on CD and is now available digitally for the first time ever! The music book has been out of print since the 1980s but is available now to download as individual songs or the whole collection.

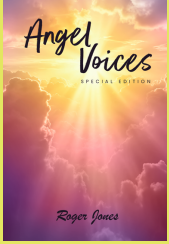

Angel Voices (Special Edition)

Originally released in 1993, Roger is releasing a special edition of his musical Angel Voices, based on the book of Revelation!

Based on the original recording, this new edition features a shortened version of some songs and changes in key which we hope will make the musical easier to learn and perform for local groups and churches.

To mark this new release, we are having a performance on **Saturday 28th March 2026 at Bromsgrove Baptist Church, Worcestershire** - so do come along if you can!

Details of the event are yet to be confirmed, so do join our mailing list or like our [Facebook page](#) for updates.

CMM Choir

Our community choir in Birmingham, CMM Choir, conducted by Annie Routley, are returning after the summer and looking for more members!

CMM Choir meet weekly to learn and sing works composed by Roger Jones and hold performances throughout the year. It is a great community to be a part of and it has a lot to offer its members.

Rehearsals are returning on 15th and 16th September, meeting in two locations in Birmingham each week: **Mondays at Harborne Baptist Church**, and **Tuesdays at Christ Church, Ward End**. Rehearsals are from 19:45-21:30 with refreshments beforehand at 19:15. All abilities are welcome so contact annie@cmm.org.uk or visit our or find out more.

If you can't join the choir, please come and support them and watch their upcoming Christmas performances of Roger Jones' 'While Shepherds Watched'—a musical telling the Nativity story through the eyes of the Shepherds! These are the performance dates we have so far:
